

TECHNICAL SECURITY DIVISION

HIGHLIGHTS FOR AUGUST 1975

On 5 August the Technical Security Division hosted a one-day conference at the [REDACTED] on Computer Applications within the Division. Representatives from ORD, OJCS, CRS and OTS attended and participated in presentations on programs now in existence which involve computer applications within our Office. As a result of this conference an insight was gained as to the plans, future programs and problems of the participating components.

A member of the Office presented a briefing on Audio Countermeasures Fundamentals to two [REDACTED] representatives.

25X1A

Ten students representing the Army, CIA, Nuclear Regulatory Commission and the Department of State completed the three-week Audio Countermeasures Techniques Course (ITC 01-21) at the Interagency Training Center.

25X1A

Five NOC Officers were briefed on the Audio Threat and methods that can be used to recognize and provide audio security against the threat. Included also was a presentation on Residential Security, locking systems and alarms that can be used to provide the needed protection against intruders. This briefing was given at the [REDACTED] by a member of the Office of Security.

25X1A

A member of the Office visited the facilities of [REDACTED] to monitor production on special badge blanks for the SACS project.

Members of the Office are installing a new alarm system in the Headquarters Credit Union, including hold-up circuits and motion detection equipment.

One member of the Office met with representatives of ORD Operations Technology Division to review and evaluate four proposals for the Document Destruction Program for which ORD has budgeted \$100,000 in FY 76.

A representative of the Air Force Office of Special Investigations visited the Interagency Training Center to discuss the technology of alarm systems and to obtain ITC staff opinion relative to material that should be included in a course on alarm maintenance and installation which OSI is planning for their personnel.

A three-day Physical Security Equipment Course was presented to six Agency personnel at the [REDACTED] on 12 through 14 August by a member of the Office.
